with Samaritan Advantage**

Samaritan Medicare Advantage Plans

The hometown advantage no other Medicare insurer can give you

Samaritan Health Plans is the only locally managed Medicare insurance provider serving Benton, Lincoln and Linn counties. Feel secure putting your trust in the same organization that's been invested in your health and our community for decades. We're close by and right here to help you get the most out of your Medicare plan. It's no wonder we have a 97% member loyalty rating when we offer our members:

- Trusted, knowledgeable service from people who know your plan inside and out.
- An extensive network of Oregon doctors and hospitals, including OHSU, Providence, Salem Health, PeaceHealth Sacred Heart, The Corvallis Clinic and others – along with coverage while traveling.
- The freedom to see any provider in our network with no referrals or assigned primary care providers required by the plan.

Our Medicare Advantage plans are affordable and help you stay healthy.

No referrals.
No assigned
PCPs.

We offer three Medicare Advantage plans. Two of our plans — Premier and Premier Plus — offer prescription drug coverage with premiums **starting at just \$19 per month**. With Samaritan, you can get all the coverage you need while staying within your monthly budget.

More benefits that benefit your life.

All of our plans feature low copays for doctor and specialist visits, **\$0 medical deductible and a medical out-of-pocket maximum** which limits your financial responsibility for hospital and medical costs each year. Plus you receive a wide range of benefits you won't get with Original Medicare, including:

Yearly preventive and comprehensive dental allowance.

Routine eye exam and eyewear.

Quarterly allowance for over-the-counter (OTC) items.

Worldwide emergency care.

Supplemental chiropractic and acupuncture visits.

Unlimited rides to health-related locations.

Yearly allowance for hearing aids.

Fitness programs.

See our Summary of Benefits for a comprehensive summary of our plans.

Our local experts are ready to help!
