IHN Prior Authorization List Coded List

The InterCommunity Health Network (IHN) Prior Authorization List Coded List is intended to be a coded companion list for the annual Prior Authorization List. This list will include the CPT or HCPCS codes for the bulleted items found on the Prior Authorization List.

This list is intended to be used by/for In Network Providers.

Out of Network Providers would need a Prior Authorization for most services, see the exceptions listed on the Prior Authorization list for details.

IMPORTANT NOTE: This list is not intended to be an all-inclusive list. Listing of a code does not imply that the service described by the code is a covered or non-covered health service. Benefit coverage for health services is determined by the member specific benefit plan document and applicable laws that may require coverage for a specific service. The inclusion of a code does not imply any right to reimbursement or guarantee claim payment. Other Policies and Guidelines may apply.

Note: Services/items that are not listed on the Prior Authorization List may not pay in claims for members over the age of 21 years, when the condition is Below the line or non-pairing. Please refer to the Prioritized List for line placement of the condition and the service. (Does not apply to Youth with Special Health Care Needs- YSCHN coverage)

***Notification required for all Inpatient admissions** provided in Hospital, Skilled Nursing Facility, Long Term Acute Care Hospital, Independent Inpatient hospice facility, Psychiatric Inpatient, Subacute, Substance Use Disorder facility. * See Prior Authorization list for exceptions

***PA required for New and Emerging Technology or Experimental Services/Items**.
Elective Surgeries: Codes listed under Elective Surgeries require a Prior Authorization when preformed in an operating room, surgical suite, hospital, or ambulatory surgery center (ASC).

> The same services may be performed in an office and would not require a prior authorization. See note above regarding below the line placement. There is a code section for colonoscopies, gastrointestinal endoscopies and ENT endoscopies that do not require authorization.

Durable medical Equipment (DME) and supplies, prosthetics, and orthotics require a Prior Authorization when the billed amounts are greater than $500 for purchase. OR Rental Items with rental fee greater than $500 per month or rental length greater than 3 months.

EXCEPTION: standard diabetic supplies (standard blood glucose monitors, lancet devices, lancets, control solution) and positive airway pressure (PAP) supplies. ALL miscellaneous DME codes require prior authorization.

IHN Prior Authorization List Coded List

IMPORTANT NOTE: The DME code list is not intended to be an all-inclusive list, DME codes require a Prior Authorization if they meet the cost or rental requirements as per above. This is a list of frequent codes that are billed over $500 per month or rental over 3 months in length.
