Introduction: This booklet provides a list of Samaritan Advantage Health Plans (HMO)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Samaritan Advantage Health Plans (HMO) formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Samaritan Advantage Premier Plan (HMO) and Samaritan Advantage Premier Plan Plus (HMO) and Samaritan Dual Advantage (HMO D-SNP). When it refers to “Plan” or “our Plan,” it means Samaritan Advantage Premier Plan (HMO), Samaritan Advantage Premier Plan Plus (HMO), and Samaritan Dual Advantage (HMO D-SNP).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under our Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 07/22/2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

You can go to all the pharmacies on this list, but your cost for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with **(PREFERRED)** to distinguish them from other pharmacies in our network that offer standard cost sharing.

This directory is for the state of Oregon including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our Plan network not listed in this directory, please call Customer Service at **866-207-3182** (TTY users should call **800-735-2900**).

We also list pharmacies that are in our network but are outside the state of Oregon, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this directory on Network Pharmacies outside the state of Oregon.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Pharmacies in this directory are listed under the category relevant to their primary function. They are organized alphabetically by county, city, and pharmacy name. For information on more pharmacies in our Plan network not listed in this directory, please contact us, Samaritan Advantage Health Plans (HMO) at **866-207-3182**

(TTY users should call **800-735-2900**).

Customer Service is available:
