Medical Guardian is Samaritan Advantage Health Plan's Personal Emergency Response Systems (PERS) service provider. A PERS device is a wearable electronic device with a button used to call for help during any emergency. When pressed, a 24/7 monitoring center is alerted. **Members can ask for one of the following PERS devices by calling Medical Guardian at 800-914-5531 or visit www.persbenefit.com/samaritanhealth to order your device.**

Mini Guardian

You can wear your **Mini Guardian** around your neck or clipped to your hip or purse.

GPS & Wi-Fi: Location monitoring nationwide 4G cellular network.

Water-resistant: Wear in the shower for added safety.

Fall detection (optional): Advanced fall detection technology calls for help when you're unable.

Suit your personal style: Comes in three colors (black, silver, and white).

MGMini Lite

Weighing less than an ounce, the **MGMini Lite** is our lightest, most comfortable, easiest-to-use wrist wearable PERS device.

GPS & Wi-Fi: Location monitoring nationwide 4G cellular network.

Water-resistant: Wear in the shower for added safety.

Fall detection (optional): Advanced fall detection technology calls for help when you're unable.

MGMove

The **MGMove Smartwatch** is the most advanced PERS device offered, and is a fashionable way to stay safe and connected wherever you go.

Water-resistant: Wear in the shower for added safety.

Step counting: Track your daily step goals and measure progress with weekly tracking.

Check the weather anytime: Prepare for any weather ahead of time with local real-time data.

Fall detection (optional): Advanced fall detection technology calls for help when you're unable.
