Introducing the Samaritan Advantage Rewards & Incentives Program

Getting the care you need can help you stay healthy. The **Samaritan Advantage Rewards & Incentives Program** lets you earn rewards for getting annual preventive services. The program is easy. You will receive a **Rewards & Incentives MasterCard** after seeing your provider for a preventive service. Then, each time you receive an eligible service, your card will be automatically loaded with the earned amount.

Which services are eligible for rewards?

The following list of preventive services are eligible for rewards. Members can earn up to \$185 per calendar year.* Keep this list of services handy to help track the eligible services you have received.

Your **Rewards & Incentives MasterCard** will come in the mail in a plain white envelope, about 30 days after your provider submits your first claim. Once you receive your card, you can start using it right away. No activation is required.
